

Gnomes stay at the "Gnome Forest" at de Bosschuur

COME VISIT THE GNOME FOREST DURING AUTUMN HOLIDAY!

You can visit the forest and look for the gnomes. When you get through the big mushroom you enter the gnome world. You follow the gnome path and find their beautiful houses. You can see where they play and where they work!

At the Bosschuur you can have a nice drink and maybe Miss Magnolia Oaktree will tell a little story. There also is coffee and tea for the grown-ups and the fire is burning when it's cold outside.

There's a lot to experience in the Gnome Forest! Also... you can play in the "Play Forest" with water, sand, build huts, climb etc. So come and visit the gnomes. Feel free to bring along your father, your mother, your brother, your sister, or your grandfather or grandmother!
